

## **About the Department**

The Department of Zoology was established in the year 1991 and M.Sc. in our department was started in the year 2019. The aim of department is to start centre for higher learning and research in future.

All faculty members have excellent academic credentials with research and teaching experience. The faculty is always accessible for resolving difficulties, mentoring, guide and counselling the students. Students promote to take benefit of NET/SET/PET guidance cell in the college. Our central library is well equipped and partially automated available system affiliated to Gondwana University Gadchiroli. The 1st batch pass out during this session with 100% result.

## **Vision**

To promote and propagate the vision of animal studies to the new generations.

## **Mission**

To be among the leading Zoology department Nationally and Internationally for Zoological teaching, learning and research with a reputation for friendliness, collegiality and environmental and social responsibility.
