3. Research, Consultancy and Extension

3.1 Initiatives of the IQAC in Sensitizing/Promoting Research Climate in the institution

The institution has the responsibility to enable faculty to undertake research projects useful to the society. Serving the community through extension, which is a social responsibility and a core value to be demonstrated by institutions and that possible because the president of our institute was the DEAN of commerce in Nagpur University, who always encourage every faculty to undertake research work.

The process of promoting research culture among faculty and students is ensured by IQAC by facilitating participation in research and related activities, providing resources and other facilities such as FIP or curtailing workload by appointing contributory and allowing researcher to avail more leave of absence and the workload is transferred to assistant teachers.

The institution provides support in terms of possible financial aid, academic and human resources required and timely administrative decisions to enable faculty to submit project proposals and/approach funding agencies for mobilizing resources for Research.

Required infrastructure in terms of space and equipment and support facilities are available on the campus for undertaking research. The institution collaborates with other institutions/research bodies for sharing research facilities and undertaking collaborative research.
